1978-79 — The year of the undefeated Rams

This was a year like no other in Laurel Valley's history, the year the school's three football teams brought home a total of 21 victories without a single loss. The junior high won six, the junior varsity won five, and the mighty varsity team not only won nine regular season games, but also defeated Homer-Center to bring home the Appalachian Conference title. It was a year of pep rallies and victory parades and a final victory bash to celebrate the perfect season.

The players ran, kicked, passed and blocked

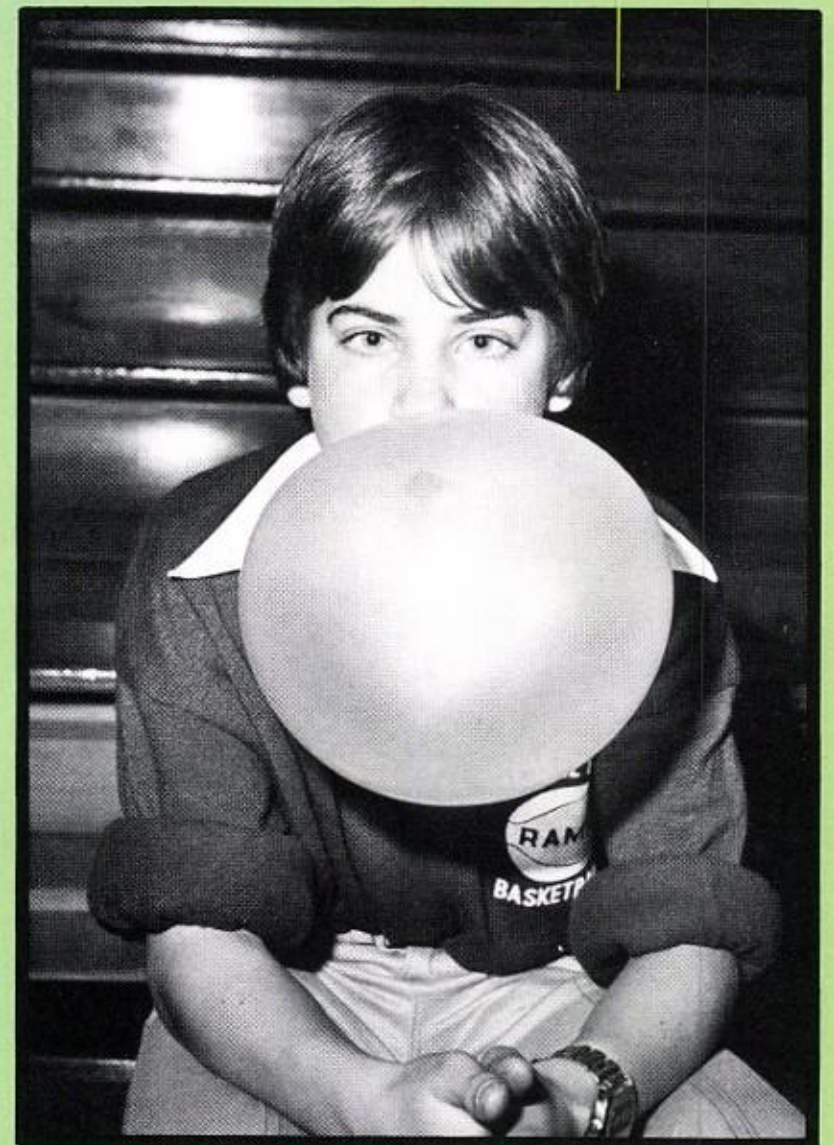

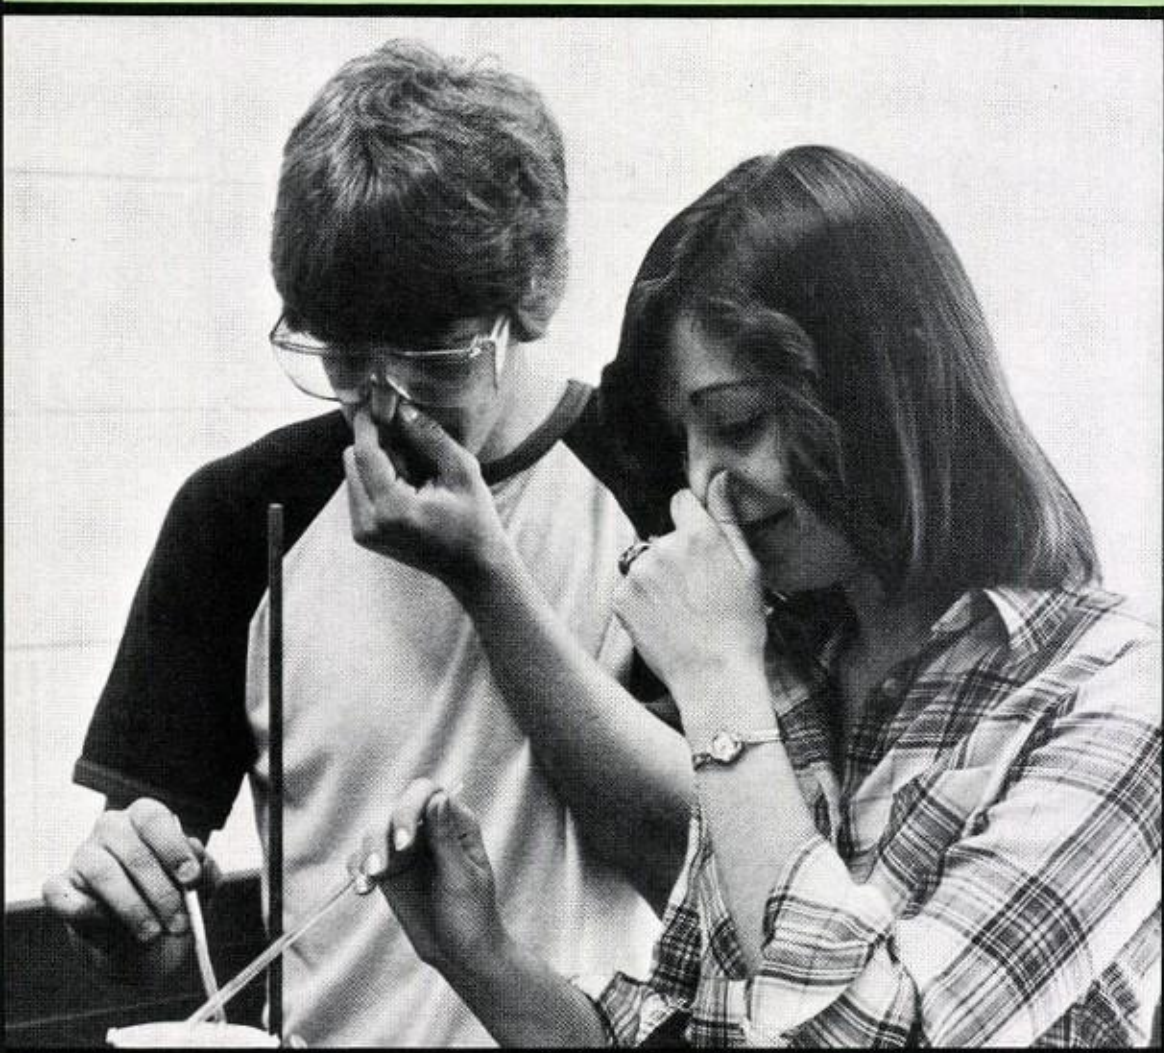

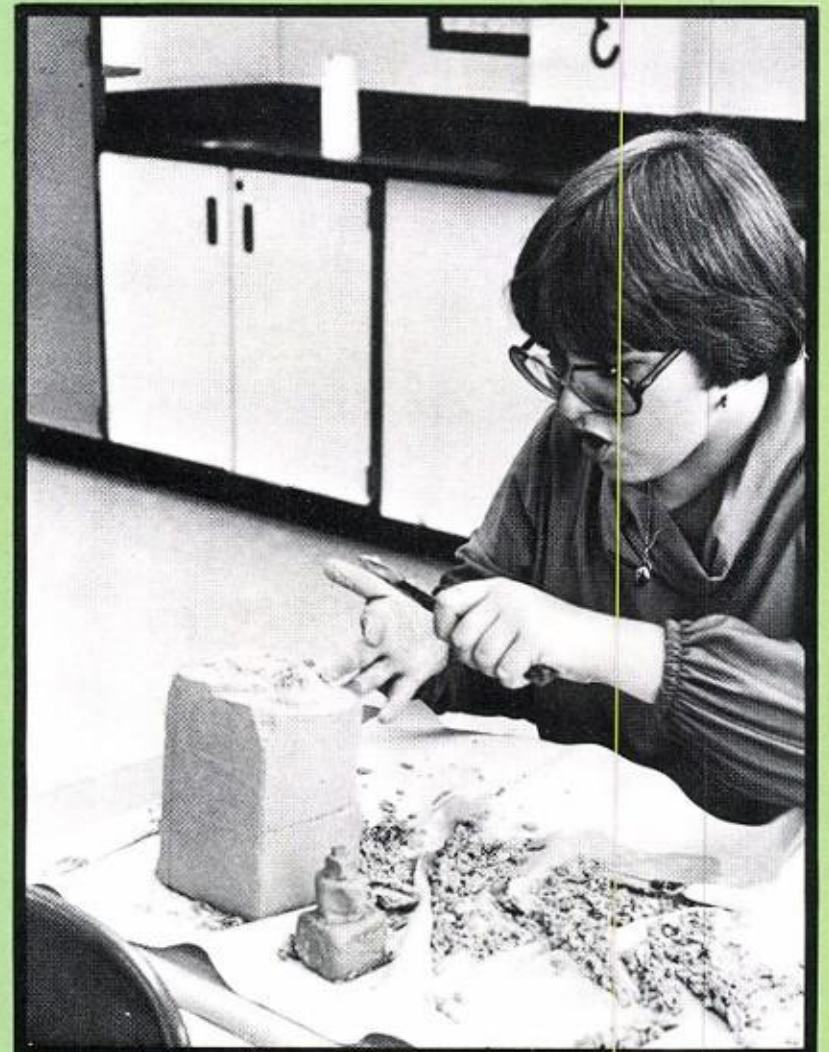

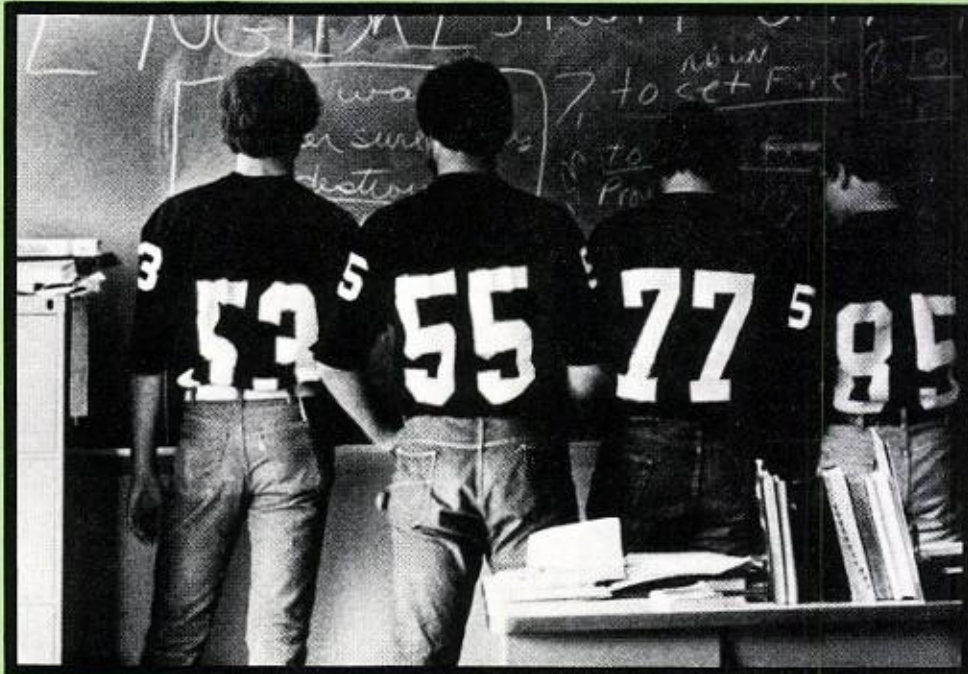

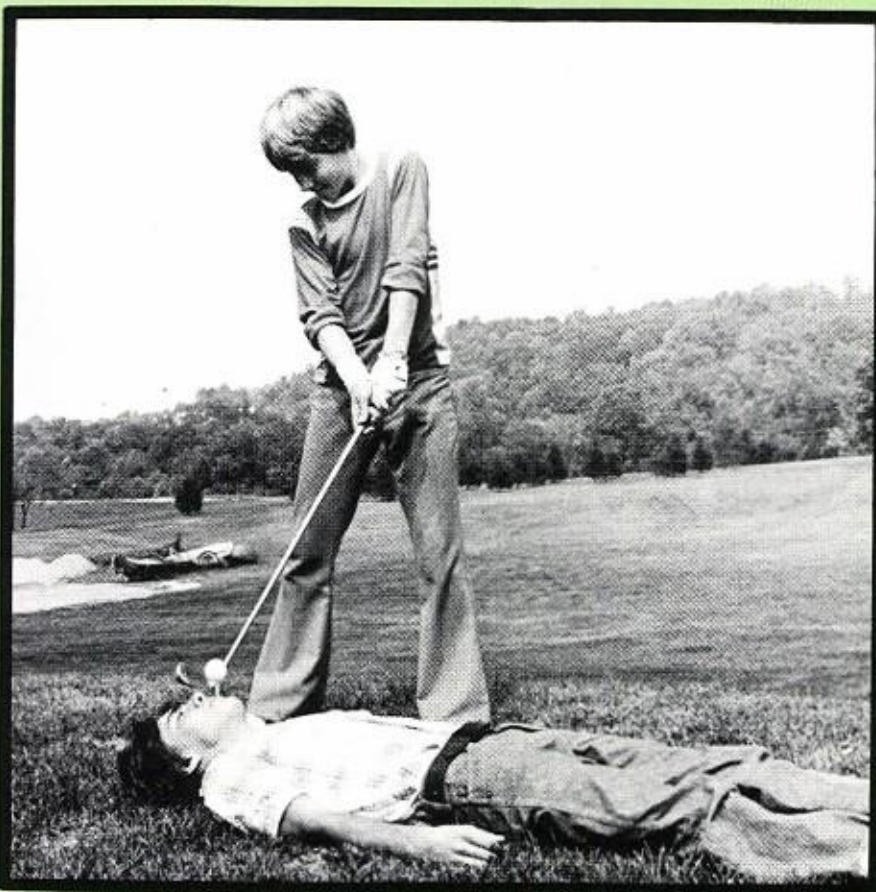

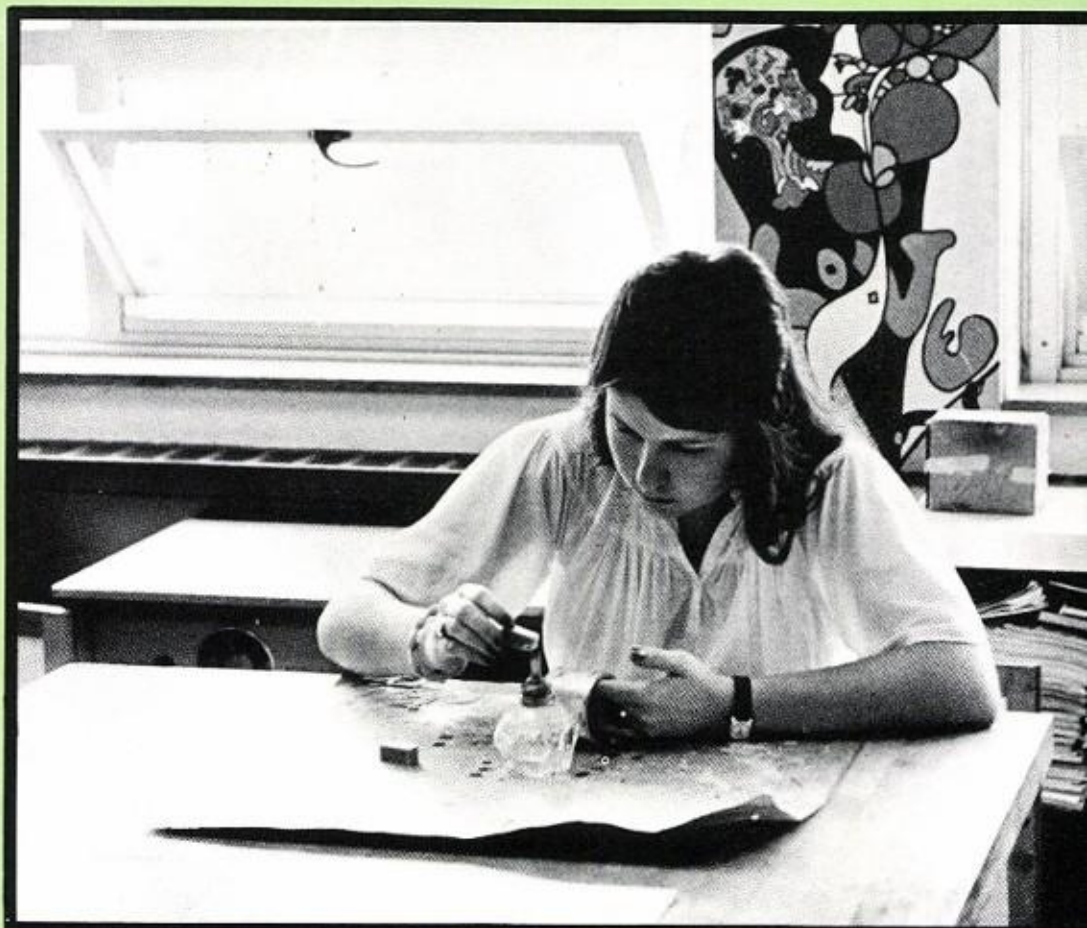

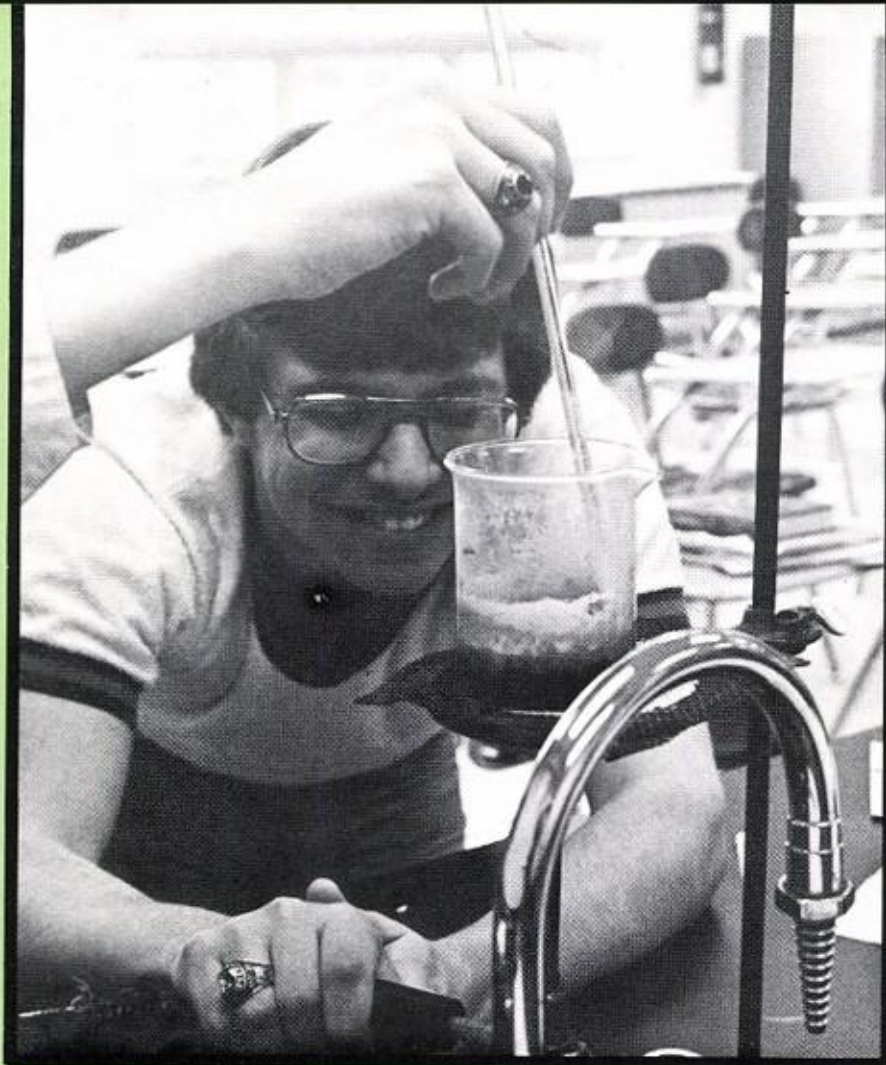

while the crowds cheered and the coaches paced

But it wasn't just a year of football —

There were other games to enjoy,
more projects to complete,
and so much work to be done.

Lisa McClure named queen of 1978

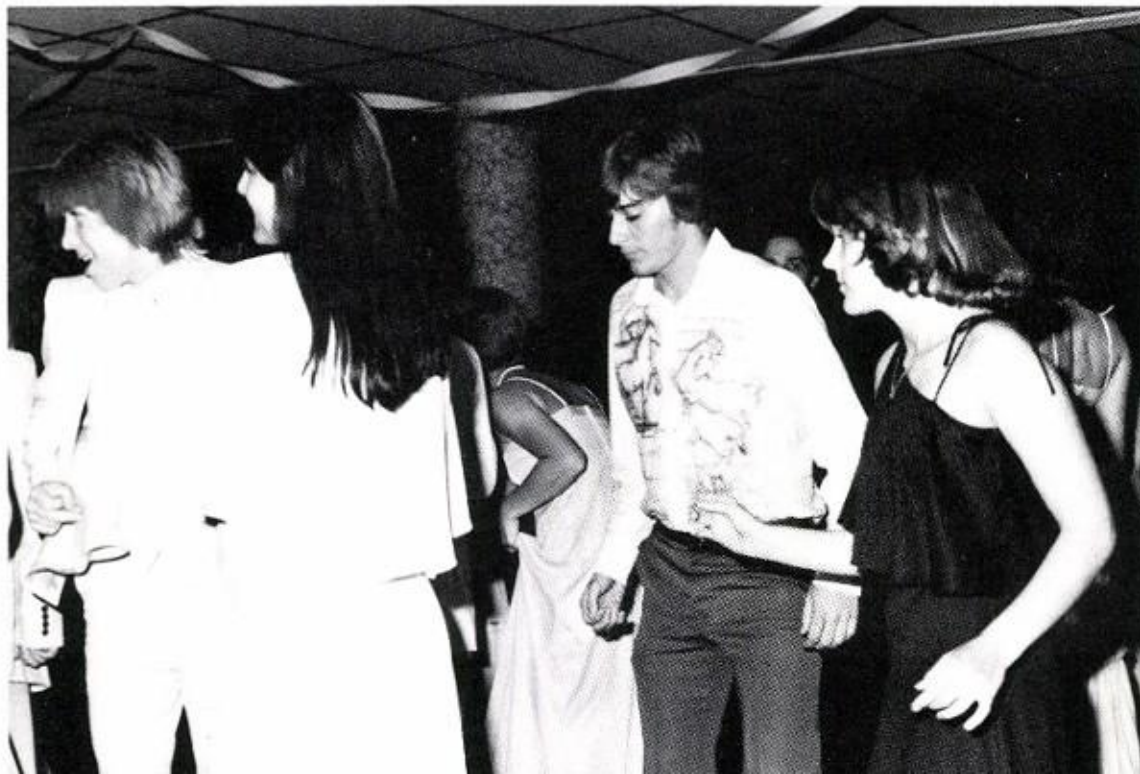

The 1978 Junior-Senior Prom entitled "Pieces of April" began with the Grand March held in the high school auditorium. The colorfully decorated auditorium was filled with friends and families anxiously awaiting the procession. Mrs. Wendy Blankenbicker sang the theme song, accompanied by Gregg Crusan on the guitar and Mrs. Betty Trump on the organ. Lisa McClure was crowned Prom Queen. Dinner and dancing followed at the Holiday Inn in Ligonier. Music was provided by "Clap Hands, Here Comes Charley." Post prom activities included swimming, bowling and dancing, as well as special entertainment by a hypnotist.

Alumni return for homecoming festivities

The 1978 Homecoming, "Always and Forever," was held on October 21. The unbeaten Laurel Valley Rams overpowered Berlin Brothersvalley by the score of 49-6, making this game one of the most memorable ever. The student body selected Agatha Gregory and Joel Ritenour as Homecoming Queen and King. Last year's royal couple, Pat Suschak and Ellen Stewart, were present to congratulate their successors.

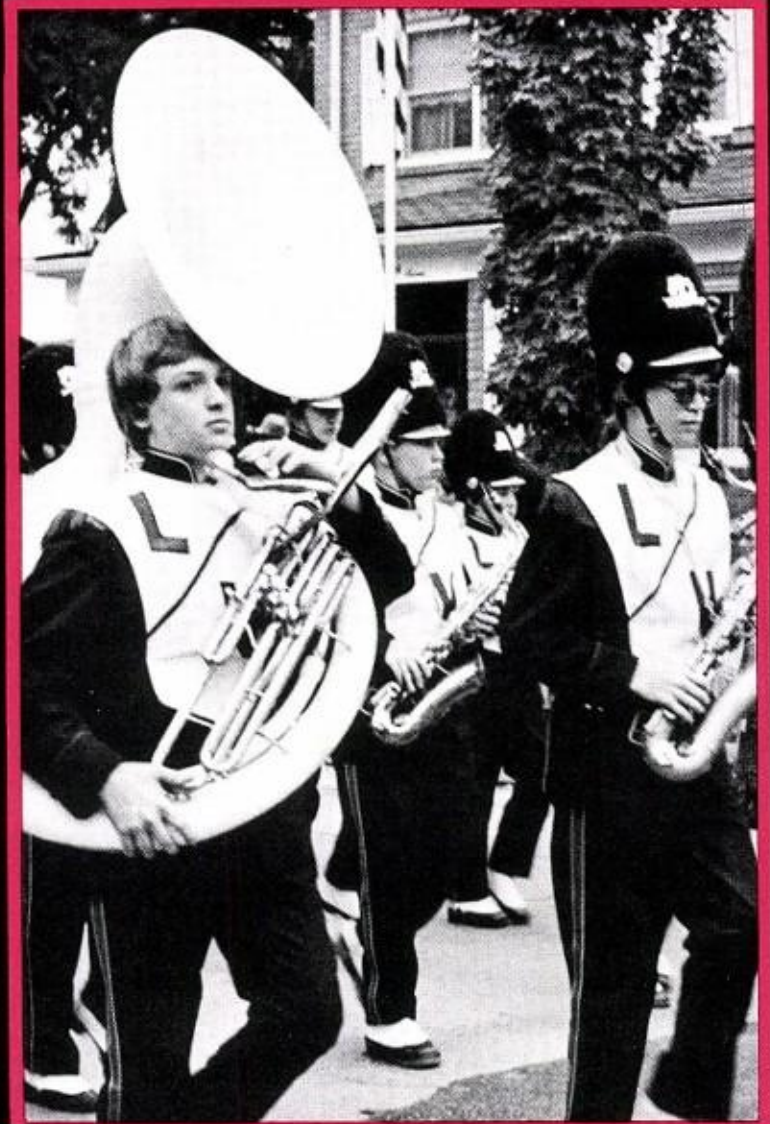

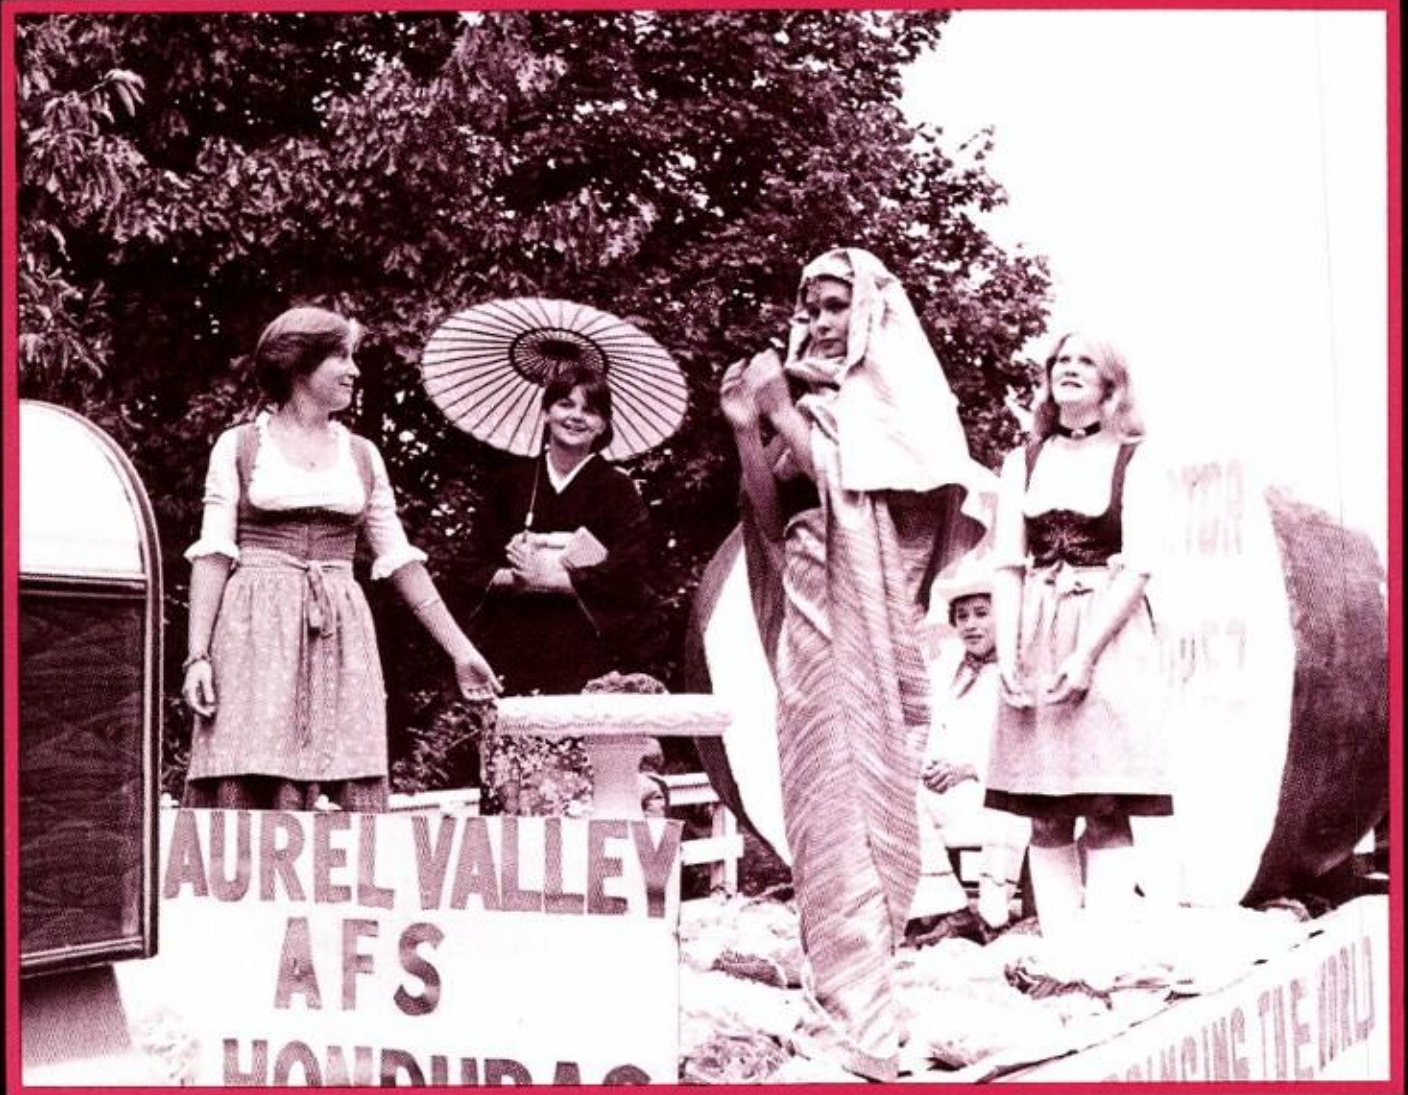

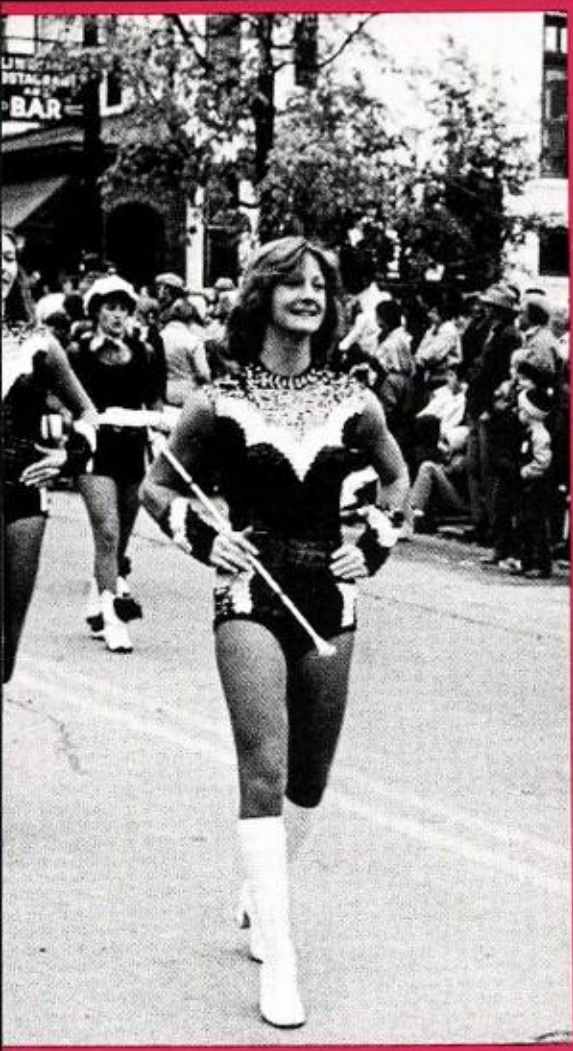

Belinda Machak, Randy Henderson, Chuck Crusan, Renee Henderson, Kerry Boske, Scott Henderson, Tracy Henderson, Dorothy Ritenour, Jim Ferri, Carol Heming, Kim Galbraith and Don Heming were also selected to the court. In the colorful gym that evening, many happy couples danced to the music of Lickety Split.

The 1978 Ram football team, directed by a fine coaching staff of head coach Bert Toy and assistants Gerald Page and Richard Hiner, accomplished something in the '78 season never performed before in the history of this school. Not only did the Rams win the Appalachian Conference championship game (the second time Laurel Valley has won that, the first title coming in 1973), but the Rams also finished their season with a perfect 10-0 record, which included four shutouts. Coach Toy was also named Coach of the Year in the Appalachian Conference.

Adding to the aura of success which surrounded the entire football program of LV this year was the junior varsity team, which came up with its first undefeated season in a number of years. Led by quarterback Denny Henderson, the team mounted a fine offense, both on the ground and in the air. High scorers for the season were Gene Bealonis, 36 points, Cotton Troyan close behind with 26 and Paul Altimus with 20. Chris Lenhart, Dave Lynn and Altimus were standouts in the fine defensive unit. The JV offense scored a total of 120 points, while allowing their opponents only 38. For Coach Hiner, it was a very good year!

Junior high football coaches Curt King and John Sekela (above left) smiled throughout the season as their young charges came through with another undefeated season. The team has a nine game win streak over the past two years and has won 24 of the last 25 games. The young Rams ended their season with a thrilling come-from-behind victory over United. Trailing at one time by 20 points, the boys used skill and determination to earn a 28-20 win. Head Coach Sekela is justifiably proud of his team's accomplishments.

Rams provide exciting moments

The LV baseball team ended the 1978 season with an overall mark of 3 wins and 11 losses, a record of 2-8 in the Tri-County League, and a 1-3 mark in exhibition play. Cold weather in March and April hampered the Rams' progress, but Head Coach Gerald Page and Assistant Robert Bendel prepared the players with many drills. The drilling paid off when the Rams opened the season by defeating Latrobe 12-2.

Although the Rams owned a losing record, many members of the team had fine performances, including Gregg Crusan's 3-1 no-hitter over Blacklick. As the season came to a close, the Rams were scheduled to play in the District 6 playoffs, but the game was never played, due to the tragic death of senior team member Kevin Moore.

For the first time ever, Laurel Valley fielded a girls' softball team, and naturally, their complete lack of experience showed in their record of 1 win and 8 losses. The lone bright spot of the season was an impressive 10-8 victory over the girls of Greater Johnstown. Enthusiasm was high, however, and Coach Pahach was impressed by the girls' determination to improve their skills. The number of juniors and sophomores who will be returning for another year should enable the team to show a constant improvement.

The 1978-79 basketball season saw the team return to the winning tradition of LV. This occurred despite the lengthy football season which caused the team's preparation to get a late start.

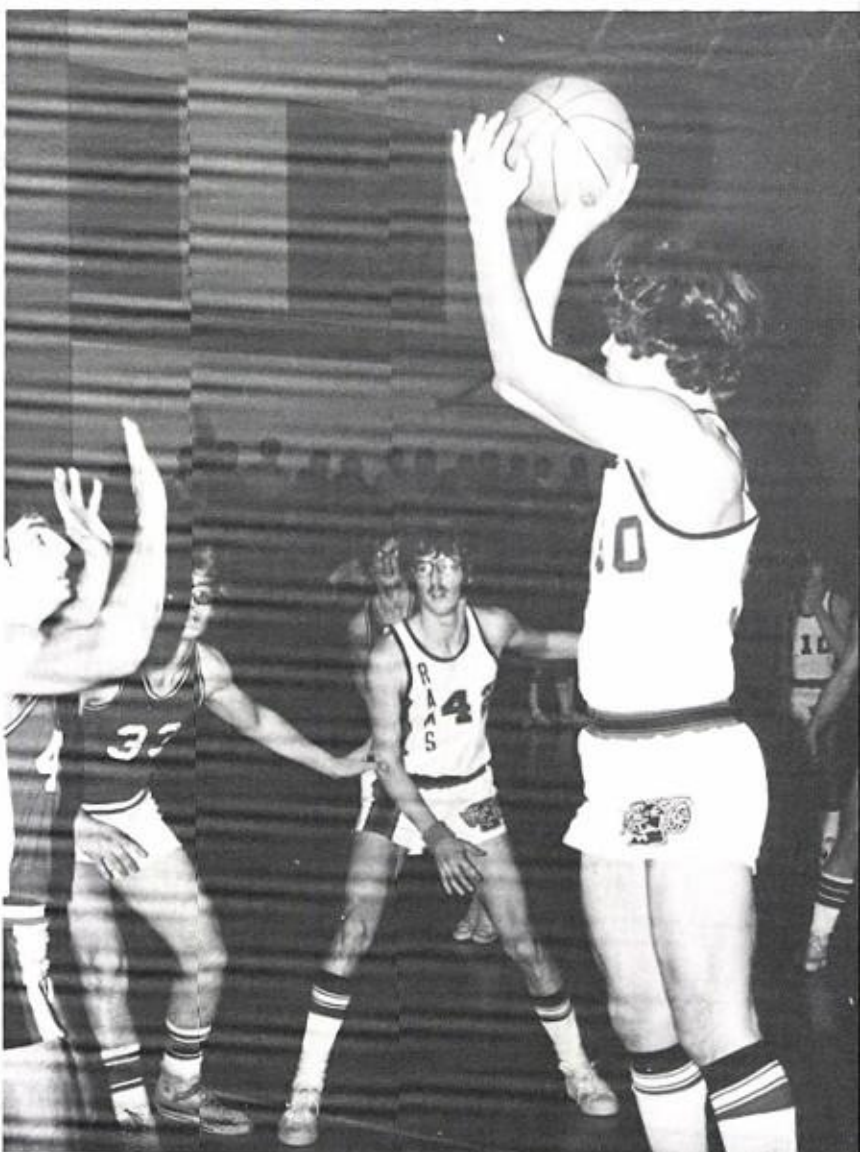

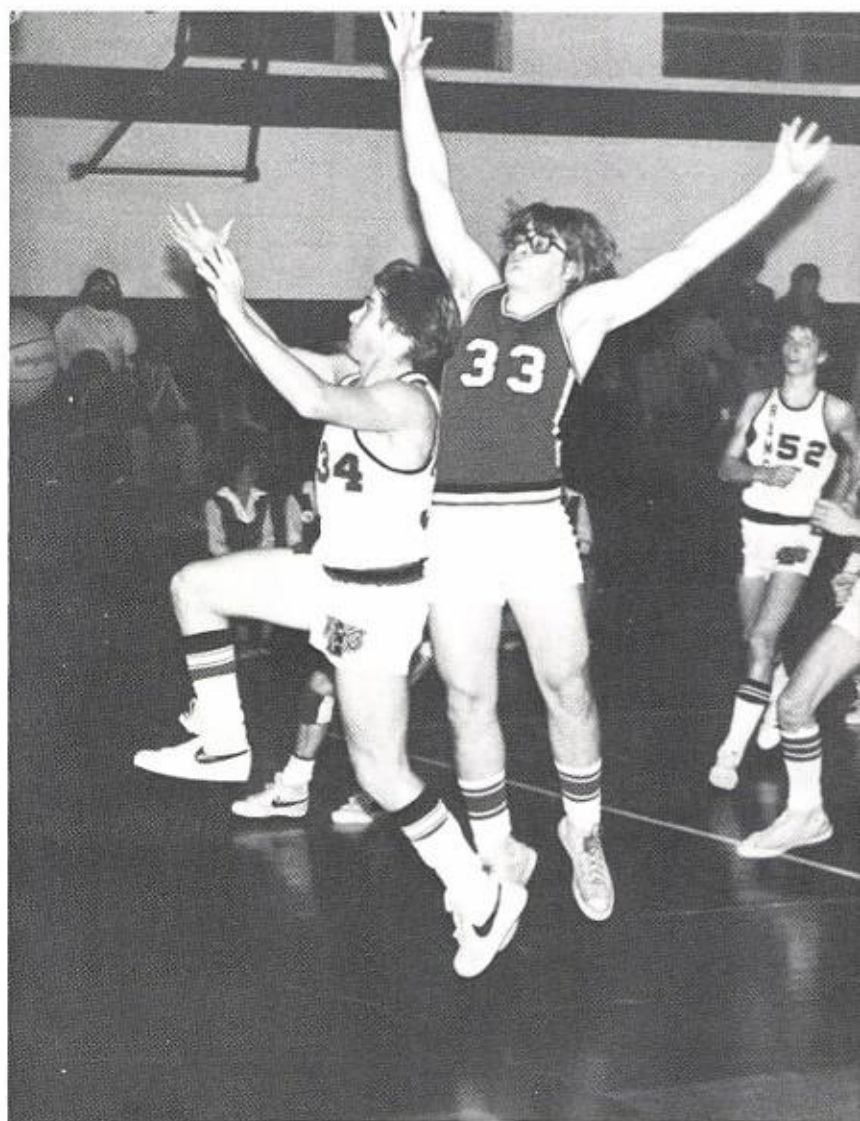

Because of their success, the Rams captured the Northern Cambria League, Section A title and were scheduled to meet Northern Cambria in the PIAA playoffs in Altoona on March 2.

Majorettes acquire a whole new look

Through the generosity of the band parents organization, this year majorettes had for the first time a sponsor and coach. Diane Molina worked with the girls throughout the summer and into the autumn to help them perfect their routines. To complement their new skill and precision, the girls turned out in sparkling new uniforms and named Mary Conrad featured twirler.

Mary Conrad this year became Laurel Valley's first featured twirler.

Veteran English teacher retires

It was with genuine regret and sadness that Laurel Valley students, teachers, and parents learned of the retirement of Mrs. Elnora Chisnell at the close of the 1977-78 school year. Recognized always as an excellent English teacher and yearbook advisor, she also influenced many beginning teachers through her work as a cooperating teacher for Indiana University of Pennsylvania.

Local acquaintances of Mrs. Chisnell may not be aware that she is widely recognized throughout the state as a scholar, educator, and civic leader. Everyone has recognized, however, that she revealed a willingness to change and adapt her teaching methods as times and students changed, always maintaining a standard of excellence. Her retirement is Laurel Valley's loss, and we wish her well.

The hassle-free, interest-earning, bill-paying machine. The Payment Phone.

The Payment Phone can make your life easier.
It's just one part of the Mellon Payment Center.
But it's a very important part.

With The Payment Phone you can get all these advantages:

- You can pay your bills by phone and save the time, paperwork and postage of bill paying. And the cost is only 10¢ for each transaction.
- You can keep your money in a Payment Savings Account right up to the day you need to use it. And you'll earn 5% interest compounded daily, day-in, day-out.
- You can also get free checking. So you have the option of paying your bills by check whenever you prefer.
- You receive one clear combined statement on a single piece of paper each month.
- You can use either a dial or Touch-Tone® telephone.
- You can call 6 days a week—Monday through Saturday... from 8 a.m. to 10 p.m.

Why not call or stop in at your nearby branch of Mellon Bank for a brochure and application.
The Payment Phone. From the Mellon Payment Center.
It took Mellon Bank to put it all together for you.

Bill paying that can pay. This is Mellon Banking

The 1979 Laurel Staff would like to express their gratitude to the following people who assisted in the publication of this yearbook:

Mrs. Bauman for arranging the materials for the cover and division page photographs.

The journalism class for picture identification, indexing, and scorekeeping.

Mr. Sylvan Pinto for his assistance with the cover and color sections.

Mr. Wahl and the business staff for conducting a successful magazine campaign that enabled us to have more color than ever.

Gradler Studios for their outstanding photography and technical assistance for student photographers.

Mrs. Peters for working after school and at home on layouts, copy, and headlines to meet our deadlines.

The Laurel Valley administrators, teachers, and students for their patience and cooperation on picture days.

Kelly Luther for leaving her radio in Room 207 to brighten our working hours.
